

**PG&E Utility A Letters (Mapping Delineations):**

- ❖ **a project** – the customer needs to fill out an application online [www.pge.com/cco](http://www.pge.com/cco) or they can call Building and Renovation Service Center at **1-877-743-7782** to help them fill out an application. Building and Renovation Service Center will assign the 3rd Party Customer a PG&E Representative based on their project scope and project location and a job number (PM) will be created.
  
- ❖ **an inquiry** (map request - work not involving PG&E facilities) – the customer needs to call Building and Renovation Service Center at **1-877-743-7782** to help them submit an inquiry.
  
- ❖ **Caltrans Requests:** Land Department – Sacramento County: Adam Egbert-
